Dear Parent/Carer

Following yesterday's incident at Nechells Academy, I have taken advice from structural engineers who have said there is significant work to be done in order to investigate further. As a consequence I have made arrangements for year 6 pupils to be based at Merritts Brook Academy to sit their SATs and all year 6 parents have been written to separately.

I have already identified an interim solution for the rest of the school and have located the Sixth Form Centre, part of Heartlands E-ACT Academy, as an appropriate site. The centre will be used exclusively for Nechells pupils. As you will appreciate it will take a couple of days to make this centre fit for purpose for the children. We will be working over the weekend and the early part of next week and I envision the Centre will be ready for Wednesday 16 May.

I would like to invite you to a meeting on Tuesday 15 May at 14.00 at Heartlands Sixth Form Centre, Francis Street, Nechells, B7 4JR. I will lead the meeting and David Moran, E-ACT's CEO, will also be in attendance. This will give you an opportunity to come and see the site. Children are more than welcome to attend.

I am making arrangements to provide travel to and from Nechells Academy on a daily basis and will provide more information at the meeting on Tuesday. If you are unable to attend, all information will be available on Nechells website and I will also text an update to parents.

If you have any questions please contact the academy on 0121 675 3796 or email us on Nechells.Info@E-ACT.org.uk

Yours faithfully
