

Nechells Pupil premium strategy 2018-2019

Financial year 2018 to 2019

for each child registered as eligible for free school meals at any point in the last 6 years:

- £1,320 for pupils in Reception to Year 6

Schools will also receive £1,900 for each pupil identified in the spring as having left local-authority care because of 1 of the following:

- adoption
- a special guardianship order
- a child arrangements order
- a residence order

If a pupil has been registered as eligible for free school meals and has also left local-authority care for any of the reasons above, they will attract the £1,900 rate.

Children who have been in local-authority care for 1 day or more also attract £1,900 of pupil premium funding.

Funding is for:

- raising the attainment of disadvantaged pupils of all abilities to reach their potential
- supporting children and young people with parents in the regular armed forces

The grant may be spent in the following ways:

- for the educational benefit of pupils registered at that school
- for the benefit of pupils registered at other maintained schools or academies
- on community facilities

The LAC premium must be managed by the designated virtual school head (VSH) and used without delay for the benefit of the looked-after child's educational needs as described in their personal education plan.

The VSH should ensure there are arrangements in place to discuss how the child will benefit from pupil premium funding with the designated teacher or another member of staff in the child’s education setting who best understands their needs.

Pupil premium plan
