

# Year 1 Knowledge Organiser – Spring Term – Changes within living memory.

Children in the 1950's/60's played with toys completely different to the ones you play with today.

Did you know that toys can be made from all different materials including; metal, wood, plastic, glass and fabric?

A lot of things have changed since our grandparents and parents were young.

## Key Vocabulary

**Transport** – a way of getting from one place to another.
