Dear Parents/Carers

I hope this newsletter finds you all safe and well. We have continued to make our regular calls to all our pupils and families, by now I'm sure you will have spoken to a member of staff at least once.

As we have already advised, we have temporarily relocated our provision for the children of key workers and our most vulnerable pupils to Mansfield Green E-ACT academy in Aston, Birmingham which is operating as our regional hub.

By temporarily relocating our provision, we can provide our pupils with quality care in an equally safe, well-staffed academy environment in the local area. The move will also enable us to provide our families with the support they need over a longer, more sustainable period of time.

Please stay safe at home and have a lovely Easter break. If you have any queries, do contact our office team on the numbers below.
