

2019-2020

The Sports Premium is designed to increase the level of skills children have in all areas of sport, to increase their level of fitness and also their enjoyment of sporting activities. Since the Sports Premium funding began, we have provided the children with a range of different sporting opportunities, enhanced the PE curriculum and trained our school staff to deliver high quality sports lessons.

In 2013 the government allocated £450 million to improve Physical Education and Sport in primary schools over three years. The vision of the government is that:

'ALL pupils leaving primary school physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy, active lifestyle and lifelong participation in physical activity and sport'.

The funding has been provided to ensure impact against the following objective:

To achieve self-sustaining improvement in the quality of PE and sport in primary schools. It is important to emphasise that the focus of spending must lead to long lasting impact against the vision (above) that will live on well beyond the Primary PE and Sport Premium funding.

The continuation of the Sports Premium funding will enable us to sustain the impact of high quality sports provision in the following areas:

- * Teachers develop their subject knowledge in delivering sports lessons through CPD training allowing them to deliver a range of sports lessons across the full curriculum
- * Teachers develop their subject knowledge through a new PE teaching scheme
- * Teachers develop their expertise in games (purchasing new games equipment such as rugby balls, footballs, tennis racquets and netball hoops etc.)
- * Children leave school being able to swim the required 25m, following a carefully planned programme of swimming lessons in Year 3 & 4
- * Children in Years 1-6 have the opportunity to participate in a wide range of after school sporting clubs (subsidised and a wider choice available such as tennis, dance, yoga and multi sports)
- * Children have the opportunity to try new sports and sporting activities

Key achievements to date:	Areas for further improvement and baseline evidence of need:
<ul style="list-style-type: none"> • Increased participation in sport during PE lessons- evident through informal learning walks • Sports clubs are more regularly attended • Pupils are engaging with some school competitions 	<ul style="list-style-type: none"> • Continued CPD for teaching staff identified by the, to develop staff confidence in delivering a broad and engaging sports curriculum. • Engage further pupils in a sport of interest by offering an even wider choice of sports clubs <ul style="list-style-type: none"> • - Engage SEN/less active children in a sport or activity of their interest • - Get more children active during the school day throughout the year • Increase the number of children accessing competitive sporting opportunities

Meeting national curriculum requirements for swimming and water safety	Please complete all of the below*:
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?	55% - target
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	45% - target
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	50% - target
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	Yes, Year 6 will receive extra swimming coaching in Summer 1.

*Schools may wish to provide this information in April, just before the publication deadline.
