Dear Parents/Carers

We are very much looking forward to welcoming your child back to Nechells Primary E-ACT Academy.

We welcome the children back after a long summer break every year, but we are very aware that coming back to school following lockdown will be a very different experience for the them.

With this in mind, there will be a strong focus on your child's well-being as they return. The first session of every day the children will be following the Relationships and Recovery Curriculum designed by E-ACT, specifically to support children following this prolonged time away from school during the COVID-19 pandemic.

All our teaching staff are Mental Health First Aid trained and amongst our team we have a vast set of skills and knowledge to provide excellent emotional support to your child.

If you would like further information, have any concerns or would like to discuss how to further support your child's emotional well-being at home, please do not hesitate to contact Mrs Mansell.

Yours sincerely

Mrs L Mahony
